

TREE DISEASE TALK

PRESENTED BY OBSERVATREE VOLUNTEER MEAGHAN

WHAT WILL I BE DOING?

This event is an opportunity to enhance your skills in monitoring tree health by learning all about tree disease. Observatree is a collaborative project led by, amongst others, Forest Research and Forestry Commission Scotland, via a network of volunteers, which aims to spot pest and disease threats to trees using 'citizen science'. Observatree have kindly offered to give us a presentation on tree disease. Tea and coffee will be served on arrival. There will also be opportunity to examine a nearby selection of mature trees after the talk. More information can be found on www.observatree.org.uk. **Welcome!**

WHEN?

The event will take place on Wednesday **8th May 2019** at **11 AM - 12.30 PM**. There will be opportunity to have lunch in the café after.

WHERE?

We will meet in the **The Gannochy Meeting Room** at **Bells Sports Centre** in Perth (PH1 5HS). I.e., not our usual meeting room but the one to the right of the reception area.

WHAT SHOULD I BRING?

Please wear clothes appropriate for the weather and footwear with good grip.

HOW DO I BOOK?

To secure a spot, please contact Julia at julia.henriks@gmail.com by Wednesday 24th April.
