# INNERPEFFRAY TREE REPLANTING

BY CRIEFF, PERTH AND KINROSS • 15<sup>TH</sup> MARCH • 10.30 AM

## WHAT WILL I BE DOING?

Towards the end of last year, larch woodland near the **chapel and library of Innerpeffray** near Crieff was felled. Local community groups have since been working to build a new footpath and are now planting an **educational woodland** and **heritage trail** themed to the library. Around 40 trees have been donated and the group are keen to get these planted by the end of March. The project is supported by the **Perth and Kinross Countryside Trust**, who put me into contact with the Innerpeffray team and their woodland subgroup directly. I am delighted to announce that we have kindly been invited to **help planting these trees** at Innerpeffray. The event will run for approximately an hour and a half, and refreshments will be served. The exertion level will be 2/3. **I hope to see you there!**

## WHEN?

Friday **15th March 2019** at **10.30 AM to 12 PM.**

## WHERE?

We will meet at the **Library Car Park** in **Innerpeffray** (PH7 3RF).

## WHAT SHOULD I BRING?

Please wear weather appropriate clothes and **shoes with good grip**, preferably water and mud proof!

## HOW DO I BOOK?

If you wish to attend, please contact Julia at [julia.henriks@gmail.com](mailto:julia.henriks@gmail.com) no later than 9<sup>th</sup> February.
