# TREE PRUNING WORKSHOP

KINNOULL HILL WOODLAND PARK, LED BY ANDREW LEAR OF PLANTS WITH PURPOSE & APPLETREEMAN

## WHAT WILL I BE DOING?

We have kindly been invited by Tree Warden and Kinnoull Hill Woodland Park Group member **David Wood** to join a pruning workshop in the orchard located at Barnhill in the Kinnoull Hill Woodland Park. The training day will be led by “appletreeman” **Andrew Lear**, thanks to funding from **Tayside Biodiversity Partnership** and support from **PKC Community Greenspace**. This will be an excellent opportunity to learn how to **properly prune trees**. There are 12 trees in the orchard that are in need of pruning and base weeding, and the goal of the project is to transform the area into a beautiful, flourishing **community orchard**. The exertion level will be 2/3. **Welcome!**

## WHEN?

The event will take place on Saturday **16<sup>th</sup> March 2019** at **9.30 AM – 1 PM** (finish time will be flexible).

## WHERE?

We will meet at the **top of the road**, at the junction, directly up from Branklyn Garden in Perth (PH2 7AR).

## WHAT SHOULD I BRING?

Please wear clothes appropriate for the weather, water and mud proof footwear with good grip and a pair of gardening gloves. If you wish, bring a packed lunch.

## HOW DO I BOOK?
