

PERTH & KINROSS TREE WARDEN NETWORK

For the protection of the environment through the care, nurture & cultivation of trees

BASIC INTRODUCTION TO TREE INSPECTION

A DISCUSSION ABOUT THE COMPLEXITY OF TREES AS STATIONARY ORGANISMS AND THEIR ADAPTATION TO SURROUNDING CONDITIONS

WHAT WILL I BE DOING?

A **presentation on tree body language** will be held by one of our Tree Wardens. Trees are complex organisms that do not move but have to adapt to their circumstances as best as they can. After the presentation, a **discussion** will be held on the topic, which will then be tied in with a **walk in the woods**. We will be looking at some trees and their body language to try and identify and further discuss some challenges that trees often face. The event will be held as part of the Tree Council's Tree Care Campaign. **Welcome!**

WHEN?

The event will take place on Saturday **21st September 2019** at **10.30 AM**.

WHERE?

The event will take place in and around the **Scottish Forestry 'Shed'** in the **Kinnoull Hill Woodland Park** (Muirhall Road, Perth PH2 7LN).

WHAT SHOULD I BRING?

Please wear clothes appropriate for the weather and waterproof footwear with good grip.

HOW DO I BOOK?

To secure a spot, please contact Julia at julia.henriks@gmail.com by Saturday 7th September.
