

## PERTH & KINROSS TREE WARDEN NETWORK

For the protection of the environment through the care, nurture & cultivation of trees

# CRAIGIE COMMUNITY WOODS COPPICING WORKDAY

## JOIN IN FOR THE THIRD ANNUAL CUT THIS NATIONAL TREE WEEK!

### WHAT WILL I BE DOING?

South Perth Greenspace Group have kindly invited us to join in on their **coppicing workday** in November. For the third year in a row, the group will be coppicing small trees in an area of **Craigie Community Woodland** to encourage the regrowth of more small stems. These new, young stems become sites favoured by birds for nesting, while also creating a **diverse woodland** with trees of different ages. All cut off branches will be re-used as fencing, and stumps will produce new shoots in the spring.

For us Tree Wardens, this event will tie in nicely with the Tree Council's National Tree Week. **Welcome!**

### WHEN?

The event will take place on **Saturday 23<sup>rd</sup> November** at **10 am to 3 pm**.

### WHERE?

Full joining instructions will be given directly to those that book to attend. **Please note that if booking, you agree to have your name and email address forwarded to the event organiser** (the South Perth Greenspace Group).

### WHAT SHOULD I BRING?

Please wear clothes appropriate for the weather and waterproof footwear with good grip. Also bring a pair of gloves. More information will be given upon registration.

### HOW DO I BOOK?

Five places are available for this event. To book one, please contact Julia at [julia.henriks@gmail.com](mailto:julia.henriks@gmail.com) by Saturday 2<sup>nd</sup> November.
