

PERTH & KINROSS TREE WARDENS' NETWORK

For the protection of the environment through the care, nurture and cultivation of trees

MEMBERSHIP FORM

If you would like to join the Network, please send an email to our Hon. Secretary (Events & Membership) Julia at julia.henriks@gmail.com with your *name, postal address, telephone number* and the *type of membership* that best suits you. Your personal details will only be kept for our records and will never be shared.

We offer two types of membership:

Working Member - You join as an active Tree Warden and will be assigned a 'member's square' covering your local area, within which you will be invited to keep an eye open for trees with support from the wider network. No previous experience is needed, just a love of trees! You will receive all our mailings and updates. You will also be invited to attend the forthcoming suite of training modules prepared by the Tree Council, as well as our own informal training sessions. *This type of membership requires that you live within Perth and Kinross.*

Consultative Member - You join as a non-active member and will receive all our mailings and updates, but will not be required to attend any events or training. *With this type of membership, living within Perth and Kinross is not a requirement. Everyone welcome!*

PKTWN memberships are to remain *free of charge* during the financial year 2020/21. However, we greatly appreciate any donations as we have no additional funding coming in at the moment. **If you would like to make a donation** please contact the Hon. Secretary who can provide the Network's BACS details.
